

## **Synta Pharmaceuticals to Present at the Acumen BioFin Rodman & Renshaw 9th Annual Healthcare Conference**

October 26, 2007

Company to Webcast Presentation on November 5

LEXINGTON, Mass.--(BUSINESS WIRE)--Oct. 26, 2007--Synta Pharmaceuticals Corp. (NASDAQ: SNTA), a biopharmaceutical company focused on discovering, developing, and commercializing small molecule drugs to treat severe medical conditions, today announced that the company will be presenting at the Acumen BioFin Rodman & Renshaw 9th Annual Healthcare Conference on Monday, November 5, 2007 at 11:15 AM (ET) at New York Palace Hotel.

At the conference, President and CEO Safi Bahcall, Ph.D., will provide an update on the company's drug discovery and development programs, as well as a review of the recently announced transaction with GlaxoSmithKline. A live audio webcast and replay of the presentation will be available on the "Investors" section of the company's website, [www.syntapharma.com](http://www.syntapharma.com).

### **About Synta Pharmaceuticals**

Synta Pharmaceuticals Corp. is a biopharmaceutical company focused on discovering, developing, and commercializing small molecule drugs to extend and enhance the lives of patients with severe medical conditions, including cancer and chronic inflammatory diseases. Synta has a unique chemical compound library, an integrated discovery engine, and a diverse pipeline of clinical- and preclinical-stage drug candidates with distinct mechanisms of action and novel chemical structures. All Synta drug candidates were discovered and developed internally. Synta has a global collaboration agreement with GlaxoSmithKline (GSK) for the joint development and commercialization of its lead investigational drug candidate, elesclomol. For more information, please visit [www.syntapharma.com](http://www.syntapharma.com).

### **Safe Harbor Statement**

This media release may contain forward-looking statements about Synta Pharmaceuticals Corp. Such forward-looking statements can be identified by the use of forward-looking terminology such as "will", "would", "should", "expects", "anticipates", "intends", "plans", "believes", "may", "estimates", "predicts", "projects", or similar expressions intended to identify forward-looking statements. Such statements, including statements relating to the timing and progress of our clinical and preclinical programs, reflect our current views with respect to future events and are based on assumptions and subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by such forward-looking statements, including those described in "Risk Factors" of our Form 10-K for the year ended December 31, 2006 as filed with the Securities and Exchange Commission. Synta undertakes no obligation to publicly update forward-looking statements, whether because of new information, future events or otherwise, except as required by law.
